EASY INTEGRATED PAYMENT PROCESSING Wasp QuickStore and X-Charge

- ◆ Improve efficiency and ease-of-use with streamlined payment processing
- ◆ Reduce costs through automated fraud control and chargeback systems
- ◆ Manage your business better and capitalize on emerging trends
- ◆ Increase profits and reduce expenses with aggressive discount rates

Simplify payment processing with X-Charge. Enter credit card information directly into Wasp QuickStore for one-step processing through X-Charge, the industry leader in electronic payment processing. Featuring lightning-fast authorizations and included support, X-Charge delivers efficient, easy-to-use payment processing.

X-Charge helps you reduce the expense of accepting credit card payments by:

- ◆ Transmitting all mandated information so the merchant receives the lowest possible discount rate.
- ◆ Using only one phone line or Internet connection for multiple stations.
- ◆ Full page reporting with dates to match merchant statements greatly reduces reconciliation time.
- ◆ Built-in fraud control keeps merchants in compliance.
- ◆ Historical transactions are easily accessible through the built-in lookup feature. This helps merchants reduce charge backs by allowing them to quickly reference the original receipt and digital signature.

The X-Charge team offers a complete analysis of your existing merchant services, and a full comparison of the rates and fees associated with processing credit cards.

FREQUENTLY ASKED QUESTIONS

Q: *Do I have to change banks?*

A: No, you may retain your current banking relationship. Electronic payments processed on our network will be deposited into your existing banking account.

Q: *What about installation?*

A: Our training center will call you to set up a telephone installation/training session. Once completed your system will be ready to use.

Q: *What if I already have an integrated PC system?*

A: Our technical support team will work with your current software provider to integrate your POS system with our networks.

Q: *How are discount fees deducted?*

A: We deduct our fees on a monthly basis.

Q: *What type of service and support is available?*

A: Toll-free 24-hour/ 7 days a week merchant help desk support with 24-hour equipment replacement service.

Q: *What if I don't want to use a personal computer for credit card processing?*

A: You may continue to use your existing terminal, or if you need a terminal we have many models available for purchase or lease.

Q: *I think my existing discount rate is lower?*

A: You may in fact be right. But, there are many hidden costs that result in your overall "effective rate." These include transaction fees, chargeback fees, late fees, supply fees, support fees, membership fees, etc. We will work with you to discover your "true" effective rate and hopefully save you money.
