See what's in stock at-a-glance. Avoid shortages and overbuying. Add users, locations, and items as your business grows.	Know exactly who has your assets and when they're due back. Simplify audits and cut down on lost or unreturned items.

**New Wasp Asset Complete and Wasp Inventory Complete customers who purchase two or more years of service qualify for one of the three devices identified in this promotion: the Wasp WT10 Tablet, the Wasp DR6, or the Wasp WDT950. Current Wasp Asset or Wasp Inventory customers qualify when purchasing a new product they are not currently subscribed to. For example, a Wasp Asset customer adding a 2-year Wasp Inventory Complete subscription would qualify, and vice versa. To learn more, request a free consultation today.*
